Connecticut General Assembly
JOB OPPORTUNITY
SAP Basis Administrator

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE

Open To: The Public

Location: Hartford

Hours: Full-Time

Closing Date: March 6, 2015

General Knowledge:
The Office of Information Technology Services at the Connecticut General Assembly is seeking an SAP professional with strong system administration and development skills to support their SAP Public Budget Formulation system.

Skills and Experience:
Bachelor's degree and at least three years of relevant work experience or any equivalent combination of education and experience are required. Must possess a broad range of skills and experience with SAP system architecture, Netweaver for Java and ABAP, Solution Manager, Business Warehouse, Enterprise Portal, Visual Composer, and Netweaver Development Infrastructure to provide day-to-day support and problem resolution. Must have strong oral and written communication skills.

Responsibilities to include:
System monitoring, transports, user access/security for BW and portal, and troubleshooting custom development in a Windows virtualized environment with a Microsoft SQL Server database. Development skills with ABAP, Visual Composer, BEx, Analyzer and Data Modeling and BW skills with aggregation levels, transformations, process chains and hierarchy maintenance a plus.

Application Instructions:
Please send resume and cover letter that includes salary history by 5:00 pm March 6, 2015 to Director, Office of Information Technology Services, Connecticut General Assembly, 210 Capitol Avenue, Room 014, Hartford, CT 06106.
